PROFESSIONAL SUMMARY

Final-year BS Information Technology student at Bukidnon State University seeking a Quality Assurance internship. Hands-on QA experience as the QA member and assistant leader of a completed blockchain-based capstone project: writing test cases, testing manually, reporting defects, and verifying fixes. Consistent Dean's Lister with added strengths in data analytics, UI/UX design, and front-end web development.

EDUCATION

Bukidnon State University Expected Graduation: 2027 (SY 2026–2027)

Bachelor of Science in Information Technology

- Consistent Dean's Lister since 1st Year, 2nd Semester
- Relevant coursework: Quality Consciousness, Habits and Processes; Business Analytics

Bukidnon National High School Graduated 2023

Senior High School, ICT Strand (TVL Track) · Graduated With High Honors

PROJECT EXPERIENCE

ChainGuard: Blockchain-Based System for Digital Evidence Integrity Completed

Capstone Project, Bukidnon State University · Quality Assurance & Assistant Leader

- Reviewed system requirements and functionality, then wrote test scenarios and test cases for the system's features.
- Prepared a test plan, test case checklist, bug/defect reports, and test execution reports to document testing from planning to results.
- Tested features manually, compared expected vs. actual results, reported defects, and retested after fixes to confirm they were resolved.
- Checked database records with SQL/database tools to verify data integrity; used Postman, Excel/Google Sheets, and GitHub to test, track results, and share work.
- Researched and proposed the tools and integrations used to build the system, and supported the team leader as assistant leader.

SKILLS

Quality Assurance	Manual Testing · Test Case & Scenario Design · Test Planning · Defect Reporting · Expected vs. Actual Result Checks · Retesting · Requirements Review · Data Integrity Checking
Tools	Postman · GitHub / Git · Excel / Google Sheets · SQL / Database Tools
Data & Design	Data Analytics · Graphic Design · UI/UX Design
Web Development	Working knowledge of HTML · CSS · JavaScript · PHP · Laravel · MySQL · PostgreSQL

WORK IMMERSION

Ultimate PC, Malaybalay City 2nd Semester, SY 2022–2023

Work Immersion Student (ICT)

- Applied PC hardware skills from the ICT strand in a real workplace and practiced professional customer handling.

CERTIFICATIONS & ACHIEVEMENTS

- **CCNA: Introduction to Networks** — Cisco Networking Academy
- **CCNA: Switching, Routing, and Wireless Essentials** — Cisco Networking Academy
- **Winner (Team), DIGIMC Quiz Bee 2026** — technology/IT quiz bee, Malaybalay City New City Hall
